Dear James,

Following up on our email we sent you previously indicating we would provide times to meet and based on your sudden urgent request to meet this week, the elders have agreed to meet with you this Wednesday night from 7 - 9pm. All nine elders will be there along with Pastor Greg Bradshaw. Feel free to invite three of the men you've partnered with in your repentance and reconciliation efforts.

We are working to find a place to meet that isn't at one of the campuses, which we feel would be best for everyone. If you are still available to meet on Wednesday night, we will confirm a location shortly.

We welcome the chance to hear your heart of repentance and to start the process of reconciliation.

In Christ,
The Elders of Harvest Bible Chapel
