

## **EXPENSE OFFSETS**

In all of HBC's financial 'reporting' regarding OSP expenses, none have reflected offsets (reductions in gross amounts) due to travel/expense reimbursements from the churches and ministries we served out of town.

From the SBC Pastors Conference, The Cove and the Billy Graham Center in Asheville, NC, to Biltmore Baptist, Harvest Christian Fellowship, Prestonwood, etc. – all of these ministries and many more fairly reimbursed WITW or HBC for airfare/lodging costs incurred. Yet these offsets are never factored into HBC's publicized amounts – and neither were \$60,000 of reimbursements for personal expenses incurred over three years ever mentioned or incorporated into HBC's figures.
