

GREG BRADSHAW'S TEXT WITH MICHAEL VANLANINGHAM

Feb 9, 2019, 5:34 AM

Thanks fir praying. A deal was made yesterday. They are bringing the deal to the elders. Sam said James won't do deal if elders say he is disqualified. I asked him if they elders were going to publicly call him out for any sinful behavior Sam said he doesnt think james will go for that. No "disqualifying" language apparently. I'm waiting to see what Happens but if they don't biblically follow 1 Timothy 5. I'm resigning today. I am responsible fir what I know and tried to be God honoring as I could to bring it to the elders but If they don't act biblically in this I am resigning.

Correct me if I am seeing it

biblically in this I am resigning.

Correct me if I am seeing it wrong. Counsel me. I need wisdom.

Do you know the nature of the deal? Is James seeming to be retained? The elder who is investigated doesn't get to call the shots in 1 Tim 5!!! Will you be at the meeting? You're the voice of sanity in all this. If James is kept, I'm done too.

He's not going to be kept he's resigning. I am not going to be at the meeting. Elders only.

Greg, only resign if James is kept.

He's resigning.

Wish you were in the meeting.
