XLT,

Below is a statement from Dr. V in regards to the Saturday, Sept 29 Elder Board meeting...

“Regarding how I acted at the Elder Board meeting on September 29, I need to ask your forgiveness. Specifically, I am seeking forgiveness from the entire XLT and Pastor James for my reckless tone and combative attitude. I really regret the distress I added to you during a time when you were already under a monstrous amount of pressure. You did not deserve that.

Believe it or not, my intent was to be helpful, but that good intention vanished when I slid into attack mode. In the midst of all this I have learned that there are better ways and better settings in which to express concerns that will be helpful, not hurtful, for all of us. But I am grieved that I learned it at your expense.

If there is still some residual anger, frustration, or disappointment over this, please come to me so I can fix what still be broken.”

Thankful for his response.
