Thanks Jeff. Here is the plan for tomorrow:

- Elgin: Tim, Jeff L, Jeff S
- RM: Michelle, Darrin, Carl, Kelly
- CL: Richard (you da man Richard!)
- Aurora: Joe D

Please arrive by 6:30ish to meet up and (hopefully) pray with your elder(s)

Here is what has changed since Monday night:

- Sally has made a few small changes to her document. She is attaching the SDK summary report to her document, which is going to be significantly "beefed up" per our request. I hope to have the new draft report to all of you sometime this evening. This single report (combining Sally and SDK) is what will be posted online right after the meeting tomorrow evening.
- Brian Laird and I are speaking from Elgin. We expect about 25 minutes. No open mike time, just inviting people to come up after if they have questions. This is where you guys come in. Please stand near your elder and be available to support as needed, especially if people have questions about what the FC does now.
- You already saw - no Sally - but the elders last night also encouraged me to not try to apologize or justify that the "full report" is not available. Since the summary is going to be much more substantial, I will probably not even mention there was another report. I'll send you my 'near final' script later tonight.

Let me know if you have questions re this. Thanks!
